Sandwell & Dudley is the nearest west coast main Birmingham New Street line railway station which is 15 minutes from Brierley Hill. From the station catch the 238 bus to Merry Hill, then there is a 15 minute uphill walk to the waterfront.

Alternative local railway stations include Stourbridge Junction and Cradley Heath which are on the Snow Hill and Moor Street lines. These stations are served by local taxi firms and frequent bus services. Buses that go to the Merry Hill from Cradley Heath are the 213, 141, 222, 238, 243 and 123. Once at Merry Hill there is a 15 minute uphill walk to Level Street. From Level street walk past the roundabout to take you onto the waterfront passing the Brewers Wharf pub and then the bars on the right, when you reach a gap in the bars where there is a 'u' shaped car park walk down the car park and our office is the last on the left, the opposite side to the Link cash point.

From Stourbridge, the 246 goes through Brierley Hill, you will need to get off the bus at the stop nearest to the Fire Station. Then walk down Waterfront way and through the Waterfront West Business Park and use the bridge to cross the canal to get to the Waterfront East.

Alternatively, you can catch the X96 bus which will take you directly onto Waterfront East. You will need to get off the bus opposite the Brewers Wharf pub; head towards the canal front, then take a right. Continue walking past the Wetherspoons up until the bridge on the left hand side. From the bridge there is a 'u' shaped car park in front of you, walk down the left side and we are the last office.
